Can the meaning of love be found in insightful love quotes?

After all, mankind has been looking for the true definition of the word for generations. While some may insist that true love can not be summed up in words, I personally beg to differ. These insightful love quotes speak volumes.

That word is love." ~ Sophocles

It is true that the dictionary does not have an adequate definition of love. After all, it's not easy to put such passion, fire and depth of emotion into words. These 14 insightful love quotes, however, prove that love can indeed be defined.
