There is a lot of planning involved when it comes to getting married. As you look over the final plans for your wedding and look forward to the honeymoon do you realize that you are traveling to an over seas destination that requires a Passport ? With all of the changes in requirements, if you are getting close to your travel dates, you may need to us an Expedited Passport Services like RushMyPassport.com to make sure that your passport arrives in time. If you have enough time, you can follow the normal process outlined at the government travel website - <http://travel.state.gov> .
