As you get ready for your wedding you may want to do a little reading. Sometimes you don't want to wait for a book to be shipped or would just prefer to read it online. You can find some great electronic books and Get 20% off at eBooks.com! . Below are some suggested titles.

Emily Post's Wedding Etiquette

America's etiquette authority presents an indispensable, comprehensive, and completely updated version of the classic guide to planning and personalizing your wedding, featuring new chapters on multicultural ceremonies, navigating expenses and legalities, planning commitment ceremonies, and more.

Plan Your Wedding In No Time

According to the Association of Bridal Consultants in the U.S. the average bride and groom spend a year orchestrating an event for 180 guests at a cost of \$22,000. The average age for brides in the U.S. is 25, 27 for the grooms. Engaged couples are more likely than ever to be employed fulltime, so planning a fairytale wedding is a daunting challenge.

Wedding Cakes and Cultural History

In this unique contribution to the anthropology of food, Simon Charsley traces the history of the wedding cake to the present day and shows how it provides a vivid illustration of the traditions and traditional values inherent in all foods.
