Your wedding is fast approaching and your bride is also busy about the details on your wedding. It has come to a point where you still don't know what to give to your groomsmen. There are gifts that are not too pricey but still presentable and nice. You can choose a cheap groomsmen gift set to stay within your budget but still give something impressive. Here is a list of cheap gift sets you can choose from:

Personalized Glass mugs& Leather Flasks

Yes mugs are still famous on most weddings. Personalized glass mugs are nice for your groomsmen because this can be stored on their shelf or can be used as a drinking instrument. Your buddies will remember the good times you had before your wedding and also they can be used after your wedding. Leather flasks, on the other hand, can be personalized with your names or the date of your wedding for a more unique touch. This flask can be used on your buddies when the situation calls for. It can store large amounts of drinks from beer to just plain water.

Money Clips & Watch accessory cases

This cheap groomsmen gift set of money clips is perfect for any groomsmen. It is well suited for any man who wants to travel light. Take some cash on your wallet (too bulky), license and credit card and your traveling like a feather. You can have this personalized by putting some little message from your wedding just the date. This one box right here of watch accessory cases is not just a plain box. This is a very awesome way to keep your watches from external environment like heat and dust. Every groomsmen will love this; they even want to put more special watches in this case. This is another good example of a cheap groomsmen gift set.

Baseball bats with balls set & Lighters

This practical gift set of baseball bats with balls set is perfect for every groomsmen who is into the sport or just a fan. You can also personalize this gift by engraving directly in the bat or having your names and sign in the ball just like in the real baseball game. You can also choose the mini bats for your ring bearers. A smoker groomsmen or a non smoker has got to have these lighters. This is practical and very useful too. You don't know when you're going to use it until the situation calls for it. This cheap groomsmen gift set has many designs to choose from. You can choose to various designs the company has to offer or personalize your own one matched to your wedding. There's also a set without the balls. It's the personalized Rawlings mini baseball bat.

Personalized Pub signs and Coasters

This awesome and very cool gift item will make your groomsmen elicit a handshake. The starting price for this one is about 30\$ and have them personalized with the name of the groomsmen on it with a scenic background that fits his

personality. Even personalized Coasters will make groomsmen proud too! This gift ideas will make your wedding a situation to be remembered when you have these items given to your grooms men. This cheap groomsmen gift set will always remain in their den, bathroom, kitchen, and bedroom and even in their living room.
